Dear Sir/Madam

Reference: **Mrs. Tina Andersen Depner**

We have been a client of the company that the above named; Mrs. Anderson Depner has worked for, for many years. Throughout that time Mrs. Anderson Depner has been responsible for the payroll, all administration and the audited accounts of our company in Denmark.

We have found her to be extremely competent in all areas and very responsive to any requests. We would consider her to be an excellent employee for any organisation.

Yours faithfully
